SCHOOL SELECTION PROCESS

Dear Parents and Guardians,

Welcome to a new school year! Though your child's 8th grade year is just beginning, it is already time to start thinking about high school. On October 1, the online application for district high schools opens. The application for the School Selection Process is done online, either through FamilyNet, StudentNet, or through my login. I **strongly encourage** all parents to come meet with me to complete the application together with your child. If this is not an option, we can complete the application with a phone conference. **The deadline for the high school application is November 13.** Please sign this letter and choose the option that works best for you and your child. If you have any questions or concerns, feel free to contact me at any time.

Sincerely,

Ms. Jennifer Manness
